

Wessex Ridgeway Relay 2013 Results

The Wessex Ridgeway 100km relay is a 12 stage running race across Dorset using footpaths and some short sections of road. It starts at Tollard Royal and finishes at Uplyme. This years event held on 19th May had twenty teams start at 7:30 am by the duck pond in Tollard Royal. By the end of the first leg at Shroton the Dorset Doodlers A team had pulled out a lead that they were to maintain to the finish. By midway, where the route crosses the A37 the Doodlers had a gap only 38 seconds. The gap opened and closed over the last half of the race, getting to be 8 minutes before Wimborne Disporia started to pull back some time. The Doodlers finally finished in an impressive 8 hours and 3 seconds, and Wimborne Disporia finished 48 seconds behind.

There were two ladies teams, and Dorset Doodlers ladies yet again proved to be much the strongest, coming 7th overall and winning the ladies prize.
