

Wessex Ridgeway Results 2015

This year the weather was kind to us this year, not too hot, not too cold and definitely not raining. There was a slightly smaller number of runners than usual, with 14 teams taking part. Some teams had problems getting their planned full quota of runners forcing some runners to run more legs than expected.

Dorset Doddlers 'A' team had little opposition this year and pulled out an impressive lead by the end of leg 1, which was never to be challenged during the race, despite their runner on leg 10 deciding to explore parts of Dorset that was not part of the ridgeway. Yeovil put in a good performance to come second and Doddlers 'B' put in a creditable performance for a second team to finish third while MH4/Wells City Harriers 'girlies' team scooped the female prize, being the only all female team.

Just a minor note, the route over Pilsden Pen takes you over the top of the hill and down the other side, before heading northwest and up onto the ridge again. Running along the top of the ridge is a short-cut!
