

# Wessex Ridgeway 2016 Results

First of all Emma and I would like to thank the Dorset Doodlers, Marlborough and the Long Suffering Friends for their continuous support during the time that we have been organising the Wessex.

Congratulations on the Doodlers having a winning team again. There are tales to be told, not the least a Long Suffering Friend deciding it better to swim rather than facing some cows

Thanks to the Doodlers for taking up the event, next year I hope to run as part of a team.

Meanwhile it is goodnight from Emma, and goodnight from me

Chris
